**Baseus Bipow Digital Display Fast charge Power bank 20000mAh 25W**

## User Manual

Please Read This User Manual Completely And Keep It Properly

### 1. Product Parameter

Name: Power Bank  
 Model No.: PPBD25K  
 Battery: Polymer Lithium Battery  
 Battery Capacity: 10000mAh/7.4V /74Wh  
 Rated Capacity: 12000mAh (5V-3A)  
 Energy Conversion Rate: ≥ 75%  
 Type-C Input: 5V-3A; 9V-2.78A; 12V-2.1A  
 Type-C Output: 5V-3A; 9V-2.78A; 12V-2.1A; 15V-1.67A  
 USB1 Output: 5V-3A; 9V-2A; 12V-1.5A  
 USB2 Output: 5V-2.4A  
 Total Output: 5V-3A  
 Product Size: 153\*68.8\*29.6mm  
 Product weight: About 452g

### 2. Packing List

Power Bank\*1 User Manual\*1 Warranty Card\*1 Charging Cable\*1

### 3. Product Diagram

### 4. Product Description

This product is a three-output large-capacity fast charging power bank with digital display, which can simultaneously charge 3 devices. It features a digital display to indicate the battery status, a Type-C port with dual-way fast charging, a maximum 25W power output, and supports fast charging for iPad, iPhone, etc. It provides multiple fast charging protocols and has multiple built-in safety protection circuits such as over-current, over-voltage, over-heating, and short-circuit protection.

### 5. Use Environment

Working Temperature: Non-tropical area, 0°C to 35 °C.

### 6. Icon Description

The 5-year icon refers to the "valid environment-friendly use period", not the product quality assurance period. Electronic products contain toxic and harmful substances such as lead, mercury and cadmium. The overdue use of these products may lead to leakage or mutation of these toxic and harmful substances, cause environment pollution or serious damage to people and property. The term of "environment-friendly use period" means that all electronic

products shall be used within this validity period. We are free of any responsibility against safety issues caused by using the product beyond its safe service life.

### 7. Safety Warning Instructions Tips

- Due to the conversion efficiency, the rated output capacity is less than battery capacity.
- When you need to check the battery status, press the power button once and the LED indicator light will show you the current battery level. In the connectionless state, the power will automatically sleep after about 30 seconds.
- Please charge your power bank periodically (recommending at least once every 5 months) in order to maintain a long service life.
- Improper use of the product could easily cause damage to the product or may even endanger your personal safety.
- Consumer shall be liable for any personal and property damage resulted from their improper use against the user manual or ignoring the warning tips, to which our company will not bear any legal liability.
- Dismantling of this product by non-professionals is strictly prohibited.
- Use of household appliances or loads in excess of the output current of this product shall be avoided (no output due to circuit protection).
- Intense physical actions including knocking on, throwing, trampling on and intense squeezing, etc. shall be avoided.

### 8. Statement on Toxic and Hazardous Substances in Electronic Information Products:

Part Description	Toxic or hazardous substances and elements					
	Lead (Pb)	Mercury (Hg)	Cadmium (Cd)	Hexavalent chromium (Cr VI)	Polybrominated biphenyls (PBB)	Polybrominated diphenyl ethers (PBDE)
PCB	X	○	○	○	○	○
Electrode	○	○	○	○	○	○
Battery	X	○	○	○	○	○
Casing	○	○	○	○	○	○

This form is compiled in accordance with SJ/T 11364.  
 O: It indicates that the content of the toxic and harmful substance in all homogeneous materials of the component is below the limit specified in GB/T 26572 standard.  
 X: The content of toxic and harmful substances in at least one homogeneous material of this part exceeds the limit stipulated in GB/T 26572 standard.  
 The product complies with EU RoHS 2.0 directive (2011 / 65 / EU)

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.  
 NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

It is hereby declared that PPBD25K, a product model of Shenzhen Times Innovation Technology Co., Ltd., complies with the provisions of Directive 2014/30/EU and Directive 2011/65/EU. The full text of the EC Declaration of Conformity can be found on the following website: [www.baseus.com](http://www.baseus.com)

This equipment complies with the provisions of Directive 2012/19/EU and Directive 2006/66/EU. It is strictly forbidden to dispose of this equipment with ordinary trash; it must be recycled. This symbol indicates that the product shall not be treated as regular domestic trash, and must be delivered to a recycling center that is capable of recycling electronic and electrical equipment.

Warning: Please follow the above safety instructions otherwise it may cause fire, electric shock, damage or other injury.
